**Chronic Obstructive Pulmonary Disease - An Update**  
A holistic approach towards its management with a physiological basis

Date : 15 .11. 2017, Wednesday  
Time : 08.30am to 05-00pm

Venue : Lecture Hall -1  
AIMS, BG Nagara.

## Dear Colleagues & Friends,

With great privilege, we welcome you to our serene campus of Adichunchanagiri Institute of Medical Sciences & Research Center for the CME programme on

### “Chronic Obstructive Pulmonary Disease – An Update”

This CME cum Workshop where Physiologists meet Physicians, provides the participants an opportunity to revisit the Basics of Pulmonary function testing & know the Recent guidelines in the diagnosis & management of COPD in a holistic manner considering both pharmacological & non-pharmacological methods with their physiological basis.

The workshop provides an opportunity for the delegate to know the right technique of performing PFT & its interpretation in various physiological & pathological states through a live demonstration. This workshop also provides a suitable platform to know the proper method of using inhalers as a route of drug administration. Further the workshop is also designed to provide a hands-on training for all delegates in the right yogic exercise for pulmonary rehabilitation.

Hence we request your presence & active participation during this wonderful academic event.

We look forward to welcome you on this day filled with knowledge & skill feast

**Dr. K.N. Narasimhaswamy**  
Professor & Head,  
Department of Physiology  
**Organizing Chairman**
